Truck Day July 20th

The Maynard Citizens Corp/Medical Reserve Corps are deploying their "Boo-Boo Brigade" at Truck Day!

We will have a table at the Maynard's Truck Day, Wednesday, July 20th. This is the first year we will be participating in this event, and have decided to do a "Boo-Boo Brigade" for the children to bring their dolls or teddy bears to be "treated" with a band-aid and balloon to make them all feel better!

We do need volunteers for this event. Set up will be at 9:30 AM and the event runs from 11:00am to noon. If you can help us out with this event please let me know ASAP.

Shelter Communication Task Force

The interest in this task force was formed after sheltering trainings that were provided in Maynard. The task force has met and developed a handout with "Tips On Preparing for a Shelter". The board's goal is to have the handouts available for truck day and for future marketing events.

Change in Board's Chairperson

We want to thank Mary Hilli for committing to her term as Chairperson which ended in June. Her dedication, hard work and time for the Corps are appreciated. Mary will continue to serve on the board.

Deb Rousell and Kathy McMillan have agreed to be appointed as co-chairperson for the Corps. We thank them for taking on this new role.
