Captain Patrick Sullivan has resigned his position as Captain for the Maynard Fire Department effective Monday, July 16th as he has been appointed Fire Chief for the Town of Lunenburg. I would personally like to recognize all the hard work and dedication he has brought to the Maynard Fire Department and thank him for his many years of loyal service. The Town of Lunenburg is getting a person of high character and quality and he will be sorely missed. Please join me in congratulating Captain Sullivan and wishing him well in his new position of Fire Chief!

NOTICE
TO ALL LOCAL LICENSING AUTHORITIES

As you are aware, the laws and regulations regarding alcoholic beverages in the commonwealth change from time to time. The Alcoholic Beverages Control Commission (the "Commission") takes very seriously its responsibility to disseminate accurate, timely information to the local licensing authorities and our licensees concerning new legislation, legal requirements, and other important issues that arise during the course of each year. Towards that end, we send Commission Advisories or Notices as soon as possible after we become aware of these changes.

While the Commission is grateful to the many local licensing authorities and administrators who forward Commission Advisories and Notices directly to the licensees in their respective communities, we recognize that there has been tremendous turnover at some of the local boards. As a result, we are concerned that some of the local boards may not realize how much we rely upon them to notify licensees about updates to the alcoholic beverages laws. Consequently, we ask that all local licensing authorities forward Commission Advisories or Notices to all of the licensees in your community as soon as practicable after receiving them.

We would like to thank all of the local licensing authorities and administrators for your continued cooperation with this endeavor. Without your direct efforts and assistance, the Commission would not be as effective as it is in circulating this essential information to our licensees. If you have questions concerning this Notice or would like more information, please call Executive Director, Ralph Sacramone at 617-727-3040, extension 731.

Re: Prominent Historical Properties in Maynard

The Maynard Historical Commission's (MHC) mission is to preserve, protect and develop the historic and archaeological assets of the community, and ensure that the goals of historic preservation are considered in the planning and future development of the community. To that end, the commission has identified the properties on the enclosed list as being prominent in the history of Maynard.

In providing this list, the commission requests that when actions involving these properties are proposed, the Commission be notified in a timely manner so that it may provide relevant comments or other input. Notice may be provided by email to the chair (currently: jmackeen@verizon.net) or by a note in the Commission mail box at Town Hall.

Thank you for your consideration.

Sincerely,

Jack MacKeen, Chairman

NEPBA LOCAL 55: GREIVANCE COMPLAINT FORM

Name: Michael Noble
Address: [redacted]
Phone: [redacted]
Rank: Sergeant, Maynard Police Department
Date: June 27, 2012

The below grievance is submitted by the undersigned in accordance with the procedures outlined in the Agreement between the Town of Maynard ("Town") and the New England Police Benevolent Association Local 55 & 56, Article 21.

COMPLAINT

On May 28, 2012, I worked an overtime shift (11pm-7am). The overtime shift fell on the Memorial Day holiday. I was paid for the overtime shift, however I was not paid the four (4) hours of straight pay pursuant to Article 6: Holidays:

> **Article 6: Holidays**:
>
> Officers will be allowed to take a day off for up to six (6) holidays in lieu of holiday pay. The parties agree to review this policy after one year's time. All officers shall receive the following as paid holidays:
>
> 1. New Years Day
> 2. Martin Luther King Jr. Day
> 3. President's Day
> 4. Patriots Day
> 5. Memorial Day
> 6. Fourth of July
> 7. Labor Day
> 8. Columbus Day
> 9. Veteran's Day
> 10. Thanksgiving
> 11. Christmas
>
> **If a man is required to work on the day a holiday listed above is observed, he shall receive time (regular hourly rate) and a half (1/2) regular hourly rate pay, in addition to Holiday Pay.**

EXPLANATION

Pursuant to Article 6, each officer of each shift working on the actual holiday is allotted four (4) hours of additional straight pay due to them actually having to work on the holiday. When an officer who was scheduled to work on a holiday uses a vacation day, calls in sick, is out injured, or there is an open shift on the holiday he does not get paid the four (4) hours additional pay. Therefore, his replacement should

get the four (4) hours that was already allotted for that shift. This is what occurred on May 28, 2012; Sgt. Quinlan was scheduled to work the 11pm-7am shift on Memorial Day, however he was out injured so he did not receive the holiday pay of 4 hours. Even though I worked the actual holiday in place of Sgt. Quinlan, I did not receive the four (4) hours straight pay pursuant to Article 6.

RELIEF REQUESTED

Wherefore, I am requesting to receive the additional four (4) hours of straight pay pursuant to Article 6, and in the future all overtime shifts on holidays will be paid the additional four (4) hours of straight pay.

Gentlemen,

As per our conversations on Tuesday, July 3, 2012: I have received both of your grievances concerning the non payment of the extra 4 hours Holiday Pay on Memorial Day May 28, 2012.

As I stated my leave of absence from Civil Service expired on Sunday, July 1, 2012 and I have reverted back to my former position of Lieutenant. I have checked with Attorney Diane Burns of the New England Police Benevolent Association and she has informed me, I am now back as a member of the Union. Ms. Burns stated as a member of the Union I can not handle these grievances and will be forwarding them to Town Administrator Michael Sullivan.

Sincerely,

James F. Dawson

Dear Officer Sweeney,

The method of paying officers who work a holiday as a replacement for another scheduled officer is established in Article 6 of the contract and by the past practices of the union and Town. You were paid for the 2012 Memorial Day holiday consistent with that well-established past practice. A change to this past practice was not made during the recent contract negotiations. Therefore, the grievance is denied.

This grievance is being addressed by the Town Administrator in concert with the Town of Maynard's Labor Counsel.

Respectfully,

Date: June 28, 2012

The below grievance is submitted by the undersigned in accordance with the procedures outlined in the Agreement between the Town of Maynard ("Town") and the New England Police Benevolent Association Local 55 & 56, Article 21.

COMPLAINT

On May 28, 2012, I worked an overtime shift (11pm-7am). The overtime shift fell on the Memorial Day holiday. I was paid for the overtime shift, however I was not paid the four (4) hours of straight pay pursuant to Article 6: Holidays:

> 11. Christmas
>
> **If a man is required to work on the day a holiday listed above is observed, he shall receive time (regular hourly rate) and a half (1/2) regular hourly rate pay, in addition to Holiday Pay.**

EXPLANATION

Pursuant to Article 6, each officer of each shift working on the actual holiday is allotted four (4) hours of additional straight pay due to them actually having to work on the holiday. When an officer uses a vacation day, calls in sick, or is out injured and he was scheduled to work on the holiday he does not get paid the four hours. Therefore, his replacement should get the four (4) hours that was already allotted

for that shift. This is what occurred on May 28, 2012; due to understaffing the 11pm-7am shift on Memorial Day was an open shift, as no one worked the assigned shift no one received the four (4) hours straight pay. Even though I worked the actual holiday, I did not receive the four (4) hours straight pay pursuant to Article 6.

RELIEF REQUESTED

Wherefore, I am requesting to receive the additional four (4) hours of straight pay pursuant to Article 6, and in the future all overtime shifts on holidays will be paid the additional four (4) hours of straight pay.

Off. Chris Sweeney, #13

Off. Sweeney,

I have received your grievance in regards to holiday pay while working an overtime shift. After reviewing your grievance, while I agree with your opinion, I am unable to resolve such an issue. I suggest you follow the grievance procedures and go to the next step in the listed grievance procedures under the Union Contract.

Respectfully,

Dear Mr. Scanlon:

The communities of Acton, Boxborough, Littleton, Maynard, and Stow have received a Community Innovative Challenge grant from the State of Massachusetts. The purpose of the grant is to look at shared transportation resources among the five municipalities. As part of the first phase of the project the communities will collect GPS/GIS data from the existing transportation services . The purpose is to look at daily usage and see where efficiencies could be improved. To accomplish this goal we would like to place a mobile GIS/GPS unit on the *Maynard Road Runner* for a period of 60 days. These are temporary mobile units that will collect only data on routes and stops. Drivers and COA Directors will be made aware of the placement of these units.

Please email if you have any questions at all, or if there is any additional information on the project that you would like to receive. The COA Director and I will be meeting with the group contracted under the CIC Grant on July 26 at 9:30 AM in the Town Administrators' Office in Maynard Town Hall if you or a representative of the LRTA would like to attend.

- Included in the annual inspection report was the "Facility Grading Report" from the Board of Certification of Wastewater Treatment Facility Operators. The facility has been changed from a Grade IV facility to a Grade VI facility as a result of the upgrade completed last year. The grade of the facility is determined by a point system. We had a rating of 50 prior to the upgrade and now we have a rating of 66 due to addition of the following processes. Comag has a rating of 10, In Plant pumping has a rating of 3 and we are using 3 additional chemicals in our treatment process that accounts for 1 point per chemical, hence, a rating of 66 which is a Grade VI facility.
  This new grading means that the Plant Manager and the Asst Plant Manager must both hold a Grade VI Certification, which exists at this time. However, the certification of the weekend operator must now be a Grade V licensed operator instead of a Grade IV. This will have to be taken into account when a new operator is hired but the Board of Certification has indicated to me that the Board is willing to work with the Town on this matter since the job posting we placed 2 weeks ago is requiring a Grade IV certification because we had not received the "grading report" prior to posting the job.

- The clarifier contract with Weston and Sampson Services, CMR is proceeding and Clarifier # 2 has been ordered. I have received the specifications for Clarifier #1 and quotes have been requested and due July 6, 2012.

TRAINING ACTIVITIES

All shifts have been involved with the training of our new probationary firefighters. All together members completed over 117 hours of on-shift training in June in a variety of topics such as driver/operator, dispatch operations, and hydrant and drafting operations, building familiarity with walks through multiple buildings among other topics. Training also continued for our probationary firefighters as they become familiar with Maynard Fire Department procedures and methods.

SHIFT PROJECTS AND ACTIVITIES

Multiple shifts continued work on r the pump of our forestry truck so the pump could be sent out for repair. This saved the fire department a ***considerable*** amount of money in labor allowing the pump to be fixed quicker. The pump is back in service and ready for use. I would like to thank all who helped out with this project!

We have continued developing and review standard operating guidelines and general orders. Most notably we have updated our responses to suspicious powders and or packages.

ACTIONS OF NOTE:

After 24 years of service to the community of Maynard, Captain Patrick Sullivan has tendered his resignation to take the job of Fire Chief for Lunenburg, Massachusetts. I would like to personally thank Captain Sullivan for his years of service and wish him luck moving forward.

With the departure of Captain Sullivan, a vacancy in the Captains ranks has been created and will be filled with the promotion of John King who will take over as shift commander of Group 2 on July 17th, please welcome me in wishing him luck in his new position. We have also hired Daniel Gould to fill the firefighter position being created with the promotion of John King, he will start his career as a Maynard Firefighter on July 16th.

Fire department crews continued testing and evaluating different types of vehicle extrication equipment in anticipation of buying an updated unit. Crews are evaluating different types of units in an effort to determine the best value for the community.

We have submitted a grant request with the Federal Emergency Management Agency under the Assistance to Firefighters Grant Program. This grant would enable us to purchase a new fire engine at a cost of over $400,000.00 as well as new portable radio equipment, firefighter protective clothing and spare self-contained breathing apparatus cylinder's. This grant works on a %5 match by the municipality if it is awarded, however, this would save the community about $600,000.00 in the next few years.

Our public education campaign has continued and we have added some very important safety information to both the Fire Department website and our Maynard Fire Department Facebook Page. Look for more going forward.

Respectfully Submitted,
Anthony Stowers

Report of the Library
For the Month of July 2012
Submitted by Steve Weiner

Activity Report

Meeting Room Use: 24 meetings were held in the library during June.

Long Range Plan/Grant Update: We are progressing through the goals articulated in the Long Range Plan update. We will hear about our grant proposal in mid July.

Library Programs: June programs included 18 classroom visits to promote the Summer reading club (approximately 378 kids, 30 adults), Daisy troop gatherings, as well as the fundraiser, the Read-a-thon, which raised over 700 dollars.

Circulation: 11,804 items circulated during June. 2080 went out through the library's self check program. 263 books were down loaded or about 12 for each day the library was open. 49 new cards were issued. There were 1954 computer log ons.

Miscellaneous: The library sponsored a special Town Meeting on Tuesday, June 5th at 7 PM. Library services were suspended at 6 PM to prepare for the meeting. The Board of Selectmen proclaimed Tuesday, June 5th to be "Friends of the Maynard Public Library" day, in recognition of the work of the Friends work with the Trustees on the fifth year celebration of the new library facility, and the Maynard Book Festival

Comments

Thank you for your support of the library program, specifically in the form of the FY 13 operating budget. It is great to tell other library directors from other communities that our library is well supported.

PERMIT One - Day

This permit is issued to

Linde Ghere and Ken Estabrook
McKinley/Cleveland/Hayes Street Block Party

For the following purpose:

McKinley Street Block Party of Maynard,
Saturday, August 25, 2012 rain date August 26, 2012
From 3:00 PM – 8:00 PM

Subject to the conditions as herein stated:

This permit is issued upon the specific condition that the Town of Maynard will not be held responsible or in any manner liable for and shall be indemnified by the Permit holder against any and all causes of action, damages, injuries/or other claims arising out of or relating to the issuance of this permit.

Dear Maynard Board of Selectmen,

The residents of McKinley Street would like to have a block party from 3 pm to 8 pm on Saturday, August 25 (rain date of Sunday, August 26, same time). To create more of a community feel, and a safer environment for the children who will be attending, we would like to temporarily close a one-block section of McKinley Street, beginning at the cross-section of McKinley/Cleveland Streets and ending at McKinley/Hayes Streets. The cross streets of Cleveland and Hayes will remain open to traffic, so closing this one-block section to traffic will still allow alternate traffic routes of Harrison St. or Roosevelt St. This will also leave the fire hydrants easily accessible, since they are located at the end of this block.

Our plans for the day include games for the many children who have recently moved into the neighborhood, a cookout for adults, and a few multi-generational "get acquainted" ice breakers. Several McKinley Street families have met to organize and plan this event. We are aware of the no-alcohol policy on public land and will ensure this policy is followed. This is a family event, so alcohol runs contrary to our purpose.

We are very excited about this gathering and appreciate your support of this endeavor. We look forward to your approval of the street closing during this time period.

Ken and I will be the main contacts and will also be responsible for this event. If you have any questions, please feel free to contact me.

Sincerely,

Linde Ghere and Ken Estabrook, on behalf of McKinley St. residents

Hello Becky,

Would you please forward the attached letter, "Block Party Request" (involving a temporary street closing on McKinley St.), to the Board of Selectmen for approval? We would like to hold the event on Saturday,August 25 (with a rain date of Sunday, August 26), so we would appreciate it if you would place this topic on one of the upcoming BOS meeting agendas. We would also love it if you would ask the Fire Chief and Police Chief if it would be possible to send a fire truck and police cruiser over around 5 pm -- that was such a highlight for the young children!

Thank you both, and have a great day!

To Whom It May Concern: July 6, 2012

As a resident at 5 Third Street, I am writing on behalf of the residents of First through Fifth Streets to hold a block party on August 4, 2012 from 3:00 to 7:00PM. Those attending the party would be residents of First, Second, Third, Fourth and Fifth Streets. Residents have already been notified. We would like First, Second and Third Street entrances blocked off to non-local traffic, if possible. This party's purpose is to strengthen the ties in our immediate neighborhood. If possible, a visit from a fire truck would be a nice touch.

Please let me know if there are any concerns or questions.

Thank-you,

Hi Becky,

I just left a meeting of the Maynard Cultural Council. Earlier this week, member Gail Erwin had asked me to attend this evening's meeting.
Gail and the other members present at the meeting this evening (Diane Donovan, Andrew Kuhn, and Nancy Krueger) all said they sponsor me as a new member to the Cultural Council.
I would like to do what I have to do to be a member.
Please let me know where I should be when and if there is any other information you need from me.
Thanks!

Thanks Becky!

Support - sure. They all support me - at least vocally but I'm guessing you need an e-mail of some sort - no? :)

July 17th sounds wonderful and I will try hard to get you everything you need way before then. I am leaving on Saturday to be with my parents in PA and don't know yet if I will be back on the 17th. Will let you know! (I'm assuming I need to be present for an appointment - no?:)

Ciao,
Elizabeth

Elizabeth,

Thanks, this sounds great. Glad you went to a meeting with this group. It would help if one of the members on the CC would support you as a new member. This can all be done via email.
If we have the information well before our next BOS meeting July 17th We can appoint you at that meeting.
Does that work for you.

I really don't know much about the different Boards and committees. I know everyone has to take an ethics test on line per the Town Clerk.
Town Clerk has a hand book for each new member.

PETITION FOR POLE LOCATION

To the Board of Selectmen

Of Maynard, Massachusetts.

VERIZON NEW ENGLAND INC. requests permission to locate poles, wires, cables and fixtures, including the necessary anchors, guys and other such sustaining and protecting fixtures to be owned and used in common by your petitioners, along and across the following public way or ways:

Waltham Street:
On the southwesterly sideline place new stub Pole No. 1S approximately 46' feet northwest of existing Pole No. 1.

1 Pole to be placed

Wherefore they pray that after due notice and hearing as provided by law, they be granted joint or identical locations for and permission to erect and maintain poles, wires and cables, together with anchors, guys and other such sustaining and protecting fixtures as they may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – **VERIZON No. 7AA4BK**, dated July 5, 2012.

Also for permission to lay and maintain underground laterals, cables and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioners agree to reserve space for one crossarm at a suitable point on each of said poles for the fire and police telephone and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Re: Memorial Gym Basketball Hoops and Scoreboard

Dear Mr. Sullivan:

I'm writing this letter to the Town of Maynard on behalf of the Boys & Girls Club of Assabet Valley. The Boys & Girls Club's mission is to promote the growth of young people in our community by providing programs that emphasize leadership, character, and health, with a special concern for under-privileged youth. With this mission in mind we are requesting a charitable donation of the basketball hoops and scoreboard from Memorial Gym in Maynard. Our existing hoops and scoreboard are incredibly old and are in desperate need of being replaced. The donation of these items would be a great benefit to our Club for all the leagues and programs we run for the community. .

Thank you for your time and consideration If you need to contact me, please call The Boys & Girls Club at 978-461-2871. I look forward to hearing from you.

With Warm Regards,
