Fiscal Year 2015 Budget with update on the joint budget meeting Feb. 8, 2014.

- Received all FY 15 Department budgets.
- February 8th “Joint Budget meeting scheduled at the Maynard Public Library.
- Governor Budget – Level Funded.
- Hopeful for more unrestricted funding.
- MIIA, Health Insurance range 0- 9.9% last year we received 1.2%, we should be in good shape for a rate near 5% increase.
- School, Andrew & I met with Dr. Gerardi. School would like to present to BOS before Joint Budget Session. We have a scheduled School / BOS Executive Session on Thursday. Sel. Cranshaw went to FinCom meeting; School did a presentation at their meeting. (Circuit breaker money) flat.

Town Administrator’s Report - Kevin Sweet:

- **Solar Array Update:** WGES received NSTAR approval to operate the site as of Jan. 24, 2014
- At another meeting, I will talk about a letter received from MayDog.
- **Waste Water Treatment Plant:** The RFP for the Management, Operations and Maintenance of the WWTP, which was released on Jan 6th, is due on Jan 30th.
- **FY15 Budget:** All depart. Have submitted there FY15 budget requests. I am in the process on working on budget related items in preparation of a final TA recommended budget and presentation at the Joint Budget meeting on 2/8. I have completed a preliminary revenue projection for FY15 as well as an adjusted minor change in revenue based on the submitted FY15 Governor’s budget. Gov. Patrick’s local aid goals are modest at best. The FY15 budget recommends a 2-% increase over FY14 for all local aid. However, the bulk of this 2 % increase is for Chapter 70 education aid. The Gov. is recommending level funding for both the Special Ed Circuit breaker and Unrestricted Gen. Gov. Aid.
- **MIIA Health Insurance Update:** On 1/15, I met with Jill Gallant-Shaw from MIIA and Adam Thornton from Blue Cross of MA to discuss the MIIA program and Maynard’s Detail of Claims, Premiums & Loss Ratios.
- **Municipal Hearings Officer Training:** Andrew Scribner-MacLean and I attended the Municipal Hearing Officer Training on 1/15. At the MA FF Academy in Stow. Citations written by local code enforcement officers, which are appealed, are heard before a municipal hearing officer. The municipal hearing officer is appointed by the municipality to conduct such hearings. In order to

serve as a municipal hearing officer, an individual must receive training jointly by the Office of the AG and Mass Association of City and Town Solicitors. At a later date, I will be requesting the BOS to appoint Andrew Scribner-MacLean for this role.

- **MISC:**
 - Held monthly Leadership Team Meeting
 - Attended MMA 2014 Annual Conference
 - CrossTown Connect Status Meeting

Chairman Report - Brendon Chetwynd:

- I got in contact with Stow BOS chair; we want to have a scheduled meeting. Will schedule once back from Business trip?
- Please schedule the Public Hearing for the Charter Review meeting changings. TA said it would be scheduled for March 4, 2014 for hearing.

Old/New Business:

Selectman Cranshaw:

- Current contract expires after 2014 season. TA, Sterling was the only bidder the last time we put this out for bid. This is the last season on the contract. When would negotiations for new contract be conducted and who would be the town representatives in those negotiations? TA Sweet indicated that contracting effort would begin in late spring with RFP in summer. Unlike last contract, it would not be prepared by a single individual.
- **Submittal Report;** Report is expected by March 10. What is the process for presentation to Board and Town Meeting. How is draft report to be reviewed by BOS? Board would like presentation, and short summary at Town Meeting is typical.
- **Water and Sewer Fees;** Policy needs to be nailed down with updated documents and policies. TA; said we need to look at Fees and Regulations.
- Do we have the final number yet for tax increase? (Pre-set Tax Figure)? TA, will find out.
- We need to talk about a plan for Liquor licenses; Need to add to agenda. TA, agrees. No date set.
- General Question; Boards, Plans, budget plan, free cash stuff. Chair, agrees we need to discuss. Chair asked Selectman Cranshaw to email list of items he wants to discuss with Board.
- Regarding Correspondence. Packet item from PD about liquor compliance issues, will Police follow up with the (3) licensees that had training issues. Yes, and TA will do more follow up.
- Noted that having Town Planner as appointed member to the 129 Parker Street committee might lead to open meeting issues related to sequential conversations as he acts as professional resource for the committee. It may be better for some future committees to not have professional staff as a formal appointment.
- Noted that there are “warrant” requirements for all-way STOP signs.

- Question; Authorization for stop signs and signals, Should the authorization come from Board of Selectmen? TA did not think it needed to come from Board. TA, not aware of any policy for traffic control. TA agrees that recommendations moving forward for roadways will come thru Board.

Selectman Capello:

- Comment: Drove past memorial park, the Christmas lights at park still on, can we have them removed. TA will put request in with DPW.

Selectman Gavin:

- **Opportunity**, we should set up meeting with Stow Selectmen, with Topic of Sharing opportunities as neighbors, have informal meeting but with topics such as Rail Trail, and Economic Development, etc.
- **Question**; In the last BOS packet we had issue from Peyton's, is that all set? TA, yes and at this time it is a non-issue. Peyton's is closed.

Executive Session, 1/28/2014 Time: 10:07

In the Matter of: Strategy with respect to Collective Bargaining.

Motion to convene an Executive Session was made by Selectman Capello and duly seconded by Selectman Gavin. The following roll call vote was taken on the above motion.

David Gavin	Yea
Dawn Capello	Yea
William Cranshaw	Yea
Brendon Chetwynd	Yea

After the Executive Session, the meeting will not reconvene.

A motion to adjourn the meeting was made by Selectman Capello. Second by Selectman Gavin. Vote 4-0. Motion approved.

Public Comments –

Resident, Vic Tomyl, comments Downtown lights are disgrace, at the corner of Summer & Main Street by K of C, very dark.

Double poles, Public Utilities (NStar) something should be done

MacDonald the property owner the corner of Waltham / Parker now the owner has a demo permit to remove the buildings on Main Street. TA, per legal we cannot hold him from the next project. Town does have a new agreement in the works that has a date of July 31, 2014 for the next step.

Tree work needs to be done at Glenwood Cemetery, it is in terrible condition. Town voted and approved \$15,000.00. Per Vic, that money has not been spent.

Committee for Whites Pond, Cost of Whites Pond to be put back on line. The Town needs to do something.

Surplus funds, money, reserve funds whatever you now call that money, take some of that money for Whites Pond.

Easement, for ARRT, wouldn't it be great to have the pipes at the same time we complete the ARRT project?

Appointments for Board of Appeals;

Jamal DeVita and John Edson were present and discussed their interest in the Town and their desire to serve on the Board of Appeals.

A motion made by Selectman Capello to approve the appointment of Jamal DeVita, 6 Oak Ridge Drive to the Board of Appeals as Alternate with a term that expires on June 30, 2016. Second by Selectman Cranshaw. Vote 3-0. Motion approved.

A motion made by Selectman Capello to approve the appointment of John Edson, 2 Brian Way to the Board of Appeals as Alternate with a term that expires on June 30, 2016. Second by Selectman Cranshaw. Vote 3-0. Motion approved.

Farmer Market Licenses.

From the Farmers Market, Carol O'Leary, request for the Farmers Market here in Maynard to have the availability of the one-day Farmers' Market Winery license for the dates per request for Farmers Market Winery licenses over the 2014 season.

A motion was made by Selectman Capello to authorize the quantity of five (5) Farmers Market Winery licenses for the Town of Maynard in 2014 Second by Selectman Cranshaw. Vote 3-0. Motion approved.

A motion was made by Selectman Capello to set the cost for \$50 per license for the winery licenses. Second by Selectman Cranshaw. Vote 3-0. Motion approved.

Snow and Ice Shortfall as of January 21, 2014.

A motion was made by Selectman Capello to approve and acknowledge the snow and ice shortfall in the budget as of January 21, 2014. Second by Selectman Cranshaw. Vote 3-0. Motion approved.

Parking Deck update from TA;

Kevin Sweet, we had our PE, Wayne Amico review the parking deck on Jan. 31, 2014. At that time, we closed the bottom of the deck. DPW will clean the debris on the deck. Assessment Plan, if we have snow on the deck, we cannot make a clear assessment based on snow cover. We emailed survey out to business owners. BOS requested that the survey be mailed out to owners of properties.

Comment, Vic Tomyl is the car charging station working and is anyone using the charging station? Yes, per TA, Kevin Sweet.
Solar Park is it up and working. Yes, per TA.

Fiscal Year 2015 Budget with update on the joint budget meeting Feb. 8, 2014.

TA, Kevin Sweet. We are working on the presentation for the Joint Budget meeting.

Sel. Cranshaw, Do we know the default tax?

TA, school will do a presentation.

1.8 million Funding to pay down school OPEB.

Old/New Business:

Selectman Cranshaw:

- Asked about response to recent email from Senator Jamie Eldridge regarding Town's project ideas for upcoming transportation bill. Board directed Town Administrator to inform him of #1 Concord Street/Route 27 intersection signalization design and construction, #2 additional funding for Crosstown Connect, and #3 parking deck repair. TA will note that Representative Kate Hogan has been working on funding for Concord Street/Route 27 project, and will coordinate with Acton and other Crosstown Partners for support of that project.
- Agreement regarding MacDonald project at 27/62 was mentioned earlier. TA Sweet presented proposed amendment to development agreement requiring \$100,000.00 bond for completion of mitigation items by July 31, 2014. **A motion was made** by Selectman Capello to approve the document to be finalized for the Board to sign the first amendment of the Development Agreement with MacDonald. Second by Selectman Cranshaw. Vote 3-0. Motion approved.

- Asked if there were cost estimates for the golf course capital items noted in yearend report. TA Sweet noted that some items (garage door and maybe tee boxes) would need to be addressed as part of potential new lease, while others might be addressed in future years. Issue will be presented at a future meeting, TA, Sweet wants direction from Board by June.
- Reported on discussion by 129 Parker Street Ad-hoc Committee on role after initial recommendations are submitted. Board’s consensus was that committee would remain as resource for feedback, but committee would not be actively engaging developer.
- Asked if School Committee or Administration had followed up on ideas by TA Sweet and ATA Scribner-MacLean for budget savings. TA indicated that they had not.

Selectman Capello:

- Request agenda item; “Blight Committee” in the Town of Hudson they have a committee for the Blight areas of Hudson. TA thinks we should look at internal staff for this issue.

Selectman Gavin:

- Artwork for Board of Selectmen’s meeting room, TA; office will ask Artspace and Dave Griffin if they have art for the walls to put up in the Selectmen Room.
- 129 Parker Street, Question, they don’t snow plow up to the building still left on site? It is a safety hazard. The main gate is opened, public access; they still have a pile of debris.
- Request a letter be sent over to the Town of Stow; want a meeting to go over some items (Share) resource. TA, write letter see if we can share ideas and opportunities.

A motion was made by Selectman Capello to approve the TA to write a letter to the Town of Stow, request a meeting to talk about shared services, opportunities like Fire Station, Senior Center, Community Center and others. Second by Selectman Cranshaw.

Vote 3-0. Motion approved.

A motion to adjourn the meeting was made by Selectman Capello. Second by Selectman Cranshaw. Vote 3-0. Motion approved.

Monthly Report – JANUARY 2014

I am pleased to report that the Public Safety Communications Supervisor position has been filled. We advertised for the position in late November and December. We received multiple resumes and held interviews in the middle of December. The Assistant Town Manager, Fire Chief and I selected five candidates to interview.

We offered the position to Anne Camaro from Marlboro. Anne currently works for the Framingham Police Department and has extensive experience in communications. We are very excited for her start in Maynard on February 10th.

On January 17th Officer Nicholas Latino graduated from the Western Massachusetts Regional Police Academy. He is currently in field training with Officer Cushing. The police academy started in August and is over 800 hours of training. He is a welcome addition to the police department and we look forward to his long career in Maynard.

On January 13th Todd Fletcher and Lucien Comeau began the Municipal Police Training Academy in Boylston. They will graduate in the middle of June and we all look forward to their start at the police department.

Attached are the police department statistics for January 2014

TRAINING ACTIVITIES

All shifts have been involved with the training of our new probationary firefighters. All together members completed over 230 hours of on-shift and off shift training this month in in a variety of topics such as driver/operator, Fire Prevention Officer, Leadership Development and hydrant and drafting operations, and building familiarity with walks through multiple buildings among other topics. Training also continued for our probationary firefighters as they become familiar with Maynard Fire Department procedures and methods. In addition all 4 groups continued working on our pre-fire planning program.

SHIFT PROJECTS AND ACTIVITIES

We have continued working closely with a software company called GovCentric; we have continued using the pre-fire planning component of this system. We have also implemented the new inspection and other modules of our new StationSmarts with excellent results!

We have continued our pre-fire planning and are now working in Clock Tower Place.

ACTIONS OF NOTE:

We had a garage fire on Garfield Street that was quickly knocked down and extinguished by Group 1. Their quick actions prevented further damage to the residence and surrounding homes.

We are continuing to work with the facilities manager on overcoming a communications issue at the new Maynard High School and it is anticipated this will be done shortly.

We have continued our annual fire safety inspection program in an effort to keep our citizens and visitors safe from unforeseen and unpredictable events.

We have submitted two fire safety articles to the Beacon Villager regarding cold weather safety and ice safety.

We are continuing to aggressively pursue grant funding from multiple sources.

Our public education campaign has continued and we have added some very important safety information to both the Fire Department website and our Maynard Fire Department Facebook Page, we are also now on Twitter, follow us: @Maynard_MAFire

We submitted two grants to FEMA under the Assistance to Firefighters Grant Program and are awaiting award announcements. Let's keep our fingers crossed for a big award.

We purchased a new multi-gas meter that will allow us to better monitor conditions at a hazardous materials incident, fuel spill or gas leak and carbon monoxide incidents among others. This is a vital piece of equipment in today's fire service and we are grateful to MIA for awarding us a grant to accomplish this.

Captain Sean Kiley was sworn in as a Captain for the Maynard Fire Department. We wish him luck in his new position.

Chief Stowers was presented a certificate by Board of Selectman Chair Brendon Chetwynd, for graduating the National Fire Academy's Executive Fire Officer Program.

Respectfully Submitted,
Anthony Stowers

Dear Friend,

It's that time of year again, when WAVM, our student run radio and television station at Maynard High School, is holding their annual Community Radio Broadcast the week of March 10 - 13, (Monday through Thursday). We are inviting you to once again participate in this fun event. This will be our twelfth year.

As you know, adults will take over the WAVM airwaves and DJ one-hour radio shows featuring their favorite music any time from 2PM to 8PM. A student from WAVM will be assigned to help with the technical aspects of the production. Participants are welcome to do solo shows or shows with one or two co-hosts. WAVM has a large vinyl collection as well as CD's, and music on our iPods.

We hope you will once again choose to join us for what is sure to be a great time. Please contact Mark Minasian at (978) 897-5213 or by email mminasian@maynard.k12.ma.us by Friday, March 7 if you wish to participate.

The student staff of WAVM is excited about this event and I view it as a great opportunity to give them support and to bring our entire community together.

Sincerely,

A handwritten signature in cursive script that reads "Mark P. Minasian".

Subject: Annual Complaint Filing

Dear Board of Selectmen,

Pursuant to M.G.L. c. 166A, §10, Verizon New England, Inc. ("Verizon New England") is required to file with the Department of Telecommunications and Cable and Issuing Authorities an annual report on complaints received regarding our FiOS TV service. The report reflects complaints received by Verizon during the previous year ending December 31. The Department of Telecommunications and Cable has adopted Form 500 as the prescribed form for complying with this annual reporting requirement. Please find attached Verizon New England's 2013 Form 500 for the Town of Maynard.

Should you or your staff have any questions, please contact me at 617-342-0558. Verizon New England appreciates the opportunity to conduct business in your community, and we look forward to a long and rewarding relationship.

Sincerely,

1. Package Store License: In accordance with M.G.L. c. 138, § 15, “no person, firm, corporation, association, or other combination of persons directly, or indirectly, or through any agent, employee, stockholder, officer or other person or any subsidiary whatsoever, shall be granted more than one such license in a town or in a city.”
2. Seasonal Section 15 (off-premises) License: These Licenses are based on a quota set by the estimate provided by the LLA before March 1 of the temporary increased resident population as of the following July 10. That estimate must be submitted to the ABCC prior to April 1. Off-Premises Seasonal Licenses are issued based on that estimate at the rate of one license for each 5,000 population (or fraction thereof) and can be issued effective from April 1 to November 30 and also until January 15, or any portion thereof, as set by the LLA.

Licensee: an individual Licensee and each member of a partnership Licensee and each officer, director, manager, and stockholder of a corporate Licensee and any agent of a Licensee including those employees who work in the public areas of the premises.

Licensed Premises: all land and buildings associated with the operation of the license.

Licensing Officer: The individual appointed by the Board to perform inspections of licensed premises and to advise the LLA on licensing issues. The LLA shall appoint and name the Licensing Officer at the LLA’s first meeting of the calendar year.

Local Licensing Authority or Authority: The Board of Selectmen of the Town of Maynard which has the legal authority to grant licenses and/or regulate the operation of the Licensed Premises.

Manager: The person designated as a Manager of the Licensed Premises in any License granted pursuant to the provisions of Chapter 138 or Chapter 140 of the MGL.

Minor: Any person less than twenty-one (21) years of age, or such other applicable age for minors as may be set by the Legislature of the Commonwealth of Massachusetts from time to time.

Patron: a customer who is legally on the Licensed Premises.

Rules and Regulations: the compellation of the MGL, these Regulations, the rules and regulations of the ABCC established to regulate the manner in which businesses shall operate.

3.0 Applicability

These Regulations shall apply to all Town Licensees issued under the provisions of G.L. c. 138 and all amendments thereto, unless specifically provided otherwise.

PUBLIC NOTICE

On Tuesday, February 18, 2014 at 7:30 pm the Board of Selectmen will hold a Public Hearing regarding the Parking Deck at the Corner of Nason Street and Summer Street. The Board would like to hear from the public and plan the next steps based on the concerns and responses from public.

On January 15, 2014 falling concrete was reported. After DPW and Facilities response and inspection the decision was made to close upper deck for safety concerns and to determine next steps.

This meeting will take place at 7:30 pm in the Michael J. Gianotis meeting room at Town Hall, 195 Main Street Maynard. Any question please call the Selectmen Office at 978-897-1301 or email: ksweet@townofmaynard.net

Downtown Parking Deck

- Originally built in 1984. Structure has 41 spaces on top deck, 39 below.
- Summer of 2013 usage report shows average of 46% utilization (12 data samples).
- September 2013 VHB report estimated \$500,000 in repairs needed within the year.
 - Specifically the integrity of the concrete is degraded , there is spalling concrete, and drainage concerns

On January 15, 2014 falling concrete was reported. After DPW and Facilities response and inspection the decision is made to close upper deck for safety concerns and to determine next steps.

Next steps:

Option	Estimated Cost	Net Spaces	Notes
Replace Deck	TBD \$1M+	TBD	
Repair Deck	\$500,000	80	Engineering cost not included
Demolish Deck	\$140,000	50	Electric recharge spaces remain

Given the current usage pattern and the widespread availability of other parking throughout the downtown area (both metered and free), the net loss of 30 spaces will have limited day to day impact on the downtown district.

In addition to the added cost for repair or replacement, the construction work entailed will take additional parking away for staging during the 3-7 months of repair or construction. Demolition and re-grading is expected to take fewer than 30 days. Repaired structure would have extended life expectancy of approximately 15 years.

Town of Maynard Downtown Parking Survey

On January 15, 2014, the Town closed the upper deck of the Municipal Parking Deck because of deteriorating conditions and falling concrete. On January 30, 2014 the ground level under the deck was also closed for safety concerns. A professional engineer is inspecting the facility to determine the Town's next steps. The Selectmen have asked that input from the community, especially downtown businesses, be gathered before making a decision about removal, repair, or replacement of the deck. A Public hearing has also been scheduled for February 18, 2014, at 7:30 pm in the Town Hall Selectman's Chambers.

Dear Board,

The Governor has directed that all non-emergency employees be released at 3pm today, due to the inclement weather and the concern for peoples safety. After speaking with Brendon we are both sensitive to the safety of those that have to commute this evening and will be cancelling this evenings meeting.

We are proposing to reschedule the meeting to next Tuesday, January 28th. Please let me know your availability to attend.

Becky,

Could you please share the attached informal inventory with the BOS members as pieces of a possible cultural district that we can build on? I would like them to have a chance to look at this before the next meeting as I think what I have to say will be more meaningful then.

BTW – what is listed here is exactly what the State is looking for.

Thank-you Becky and please let me know if I can do anything else.

Sincerely,
Elizabeth Steiner Milligan

At five square miles, only three of which are populated by its 10,000 residents, Maynard is the second smallest town in MA – geographically. The other 2 square miles are part of the Federal Wildlife Refuge. Last year, Boston Magazine named Maynard the most walkable town in MA.

Because the cultural district I would propose is in an urban area, not all of the following resources would be included. I include them here because they all contribute to the fabric of Maynard and can easily be enjoyed by all visitors to the cultural district. They are indicated by an asterisk.

The cultural district I propose starts at Art Space Maynard on Summer Street takes a left onto Nason Street to include the Library, backtracks to Summer where it takes a left to include Theatre Place and across the street, Memorial Park. At the corner of Summer and Nason, it takes a left down to Main. Then, on Main to the right – it goes up to Rays Cycle Shop on one side and the end of the parking lot at Clock Tower Place. Back at Main and Nason and taking a left on Main, down to Aubuchon on one side and LOOK Optical on the other. Both sides of Main Street are bordered by the Assabet River and/or the Mill Race through which flows Assabet River waters. Takes less than 30 minutes to walk this entire route, but there are always reasons to stop multiple times!

Re: Revised Adams Arts Grant Scope of Work

Background

The purpose of this Memo is to provide the Board of Selectmen background information on the Town's Adams Arts Grant and request approval of a revised scope of work.

On August 22, 2012, the Town of Maynard was awarded \$1,500 in grant funding from the Massachusetts Cultural Council's (MCC) Adams Arts Program. This \$1,500 in grant funding, coupled with a required Town cash match of \$375, was to be used for a project entitled "Engaging the Arts for Downtown Revitalization" that was prepare a set of economic development strategies that would have focused on ways to bring employees from Clock Tower Place into Downtown Maynard using arts and cultural-related strategies. The total \$1,875 in grant funding would have been utilized for consultant assistance in the development of such strategies.

When the Town of Maynard went through a leadership transition with Michael Sullivan, Town Administrator, and Carolyn Britt, Consulting Planner, both leaving the Town of Maynard in early 2013, the Town of Maynard was not able to move forward in implantation the Adams Arts Grant. The grant was originally supposed to be completed by March 30, 2013.

New Proposed Focus of this Grant and Outline for Scope of Work

With the change in leadership in the Town of Maynard and the hiring of a full-time Town Planner, Eric R. Smith, AICP, the Town of Maynard is ready to move forward with implementing the "Engaging the Arts for Downtown Revitalization" Adams Arts Grant Project. However, based on conversations the Town Planner has had with Jero Nesson of ArtSpace Maynard, given the vacancy at Clock Tower Place, exacerbated by the loss of Monster.com., the Town of Maynard's focus on the Adams Art Grant is proposed to shift and would focus for consultant assistance on the following strategy:

- The marketing and branding of Downtown Maynard as an arts and cultural destination as a Regional draw. The marketing and branding would include elements of Downtown Maynard being a “cool” place to go for various arts and cultural activities, including places to eat and drink.
- ArtSpace Maynard has recently established a Second Saturdays event with a monthly art opening reception and open studios. As part of the marketing recommendations for Downtown Maynard as a destination, there will be the exploring the possibilities of expanding the Second Saturdays event into a Downtown-wide event.

MCC has indicated their approval for a change of the focus of this grant, as long as the outline for the approved Scope of Work does not change, which would allow the Town of Maynard to complete the grant accordingly. The Approved Scope of Work is as follows:

- Consultant for Planning Process related to the development of coordinated cultural activities, tasks which would include the following three meetings:
 - 1) An initial meeting with partner organizations and potential organizations for brainstorming sessions to further develop a work plan for the grant (It is envisioned that the Town of Maynard could partner with the Revitalize Maynard Collaborative to co-host such a meeting; The Town could also invite the Maynard Business Alliance and the Assabet Valley Chamber of Commerce to the table.).
 - 2) A meeting with the partners and potential partners to deliver the existing survey review results and develop more detail on future activities based on these results (it is envisioned that the Consultant will make use of any existing surveys and/or the Town of Maynard and Revitalize Maynard Collaborative could assist in preparing/implementing the survey in concert with the Consultant, as limited funding awarded by the MCC will likely preclude full survey work by the Consultant).
 - 3) A final meeting to develop the list of recommended activities for implementation.

Upon approval by the Board of Selectmen for this revised grant focus, the Town Planner will immediately work to hire a consultant and begin the project accordingly.

Re: Maynard Economic Development Committee Recommendations

At the October 1, 2013 Board of Selectmen meeting, the Board requested the Town Planner to draft a set of recommendations related to the formation of a Maynard Economic Development Committee, members of which would be appointed by the Board of Selectmen. The recommendations were to include a Committee membership comprising of 5-7 members, along with a statement of work that includes a set of deliverables for the Committee to undertake.

The Town Planner, as part of preparing this set of recommendations related to the establishment of a Maynard Economic Development Committee, has reviewed a number of existing municipal Economic Development Committees that I had prior experiences with: the towns of Shirley and Westminister in Massachusetts and the Town of Swanzey in New Hampshire. A limited Google search of municipal Economic Development Committees was also conducted. The Town Planner also reviewed the 2004 Maynard Community Development Plan (CDP) and the December 31, 2006 Final Report from the Community Development Plan Implementation Committee (CDPIC). Within the 2004 CDP Economic Development section, there was the following strategy related to formation of a Maynard Economic Development Committee:

E-13: Appoint an ad hoc committee to launch many of the economic development recommendations assigned to the Town. Such a committee would undertake business retention meetings with identified key businesses where the actions of town government may affect the retention of businesses in Maynard, hold an open forum for businesses, and assess the ongoing market for Maynard business real estate.

The establishment of a Town of Maynard Economic Development Committee was also one of the recommended implementation items included in the CDPIC's 2006 Final Report under their Business Development Work Strategy (Method #2):

“Designation of Economic Development Capacity. An *Economic Development Committee* (emphasis added) or some other resource of Staff or volunteers to undertake economic development can review the recommendations of the Community Development Plan and establish a variety of the priority efforts detailed in the Plan. These efforts, also noted below, include the establishment and implementation of a business visitation program to retain local businesses, identification of key parcels and coordination with owners to address issues and concerns, and involvement in coordination of review of Town Boards and Committees.”

The Town Planner has tried to incorporate some of the CDPIC’s recommendations related to the Economic Development Committee in the Committee’s Statement of Work/Deliverables.

- **Membership.** The Board of Selectmen requested the Town Planner to prepare a list 5-7 Members to make up a Maynard Economic Development Committee. The Selectmen provided the Town Planner with a list of a few individuals and/or organizations of whom were to be included, which are the first three (3) listed below. Representatives from four (4) other entities are provided as a recommendation based on the Town Planner’s experiences with the three (3) other Economic Development Committees identified above. The recommended seven (7) members of the Maynard Economic Development Committee would be appointed from the following entities/organizations:

1. **Maynard Revitalize Collaborative Representative**
2. **Maynard Business Alliance Representative**
3. **Clock Tower Place Representative (Joe Mullin)**
4. **Maynard Real Estate Community Representative**
5. **Maynard Planning Board Representative**
6. **Maynard Board of Selectmen Representative**
7. **At Large Resident / Business Owner / Assabet Valley Chamber of Commerce Representative**

- **Statement of Work.** Although the term may have not been used at the October 1st meeting, I think one of the intents of the Selectmen were to have a “Committee Charge” provided to the new Economic Development Committee by the Board of Selectmen. Again, based on review of other existing Economic Development Committee tasks, the CDPIC’s recommendations, and the Town Planner’s knowledge of Maynard so far, the following is a proposed Maynard Board of Selectmen’s charge to the Economic Development Committee:

- Provide input and advice on matters relating to the Town’s economic development opportunities and to develop strategies and recommendations of initiatives to promote the Town as a place to start or grow a business.
- Inventory existing businesses in the community surveying those businesses seeking ways the town can support and encourage existing businesses to “grow”; and recommend strategies to attract additional business and economic activity, including the establishment and implementation of a business visitation program to retain local businesses.
- Inventory available buildings, parcels and/or opportunities for economic development and develop recommendations on how to promote those properties and our town to attract desired business and employment opportunities. The Committee will lead the coordination with property owners to address identified issues and concerns as well as opportunities.
- Assist in attracting additional business development within the Clock Tower Place complex.

- Support initiatives to develop Maynard's community brand and strengthen our Town's identity in the region and Commonwealth.
 - Support initiatives to improve business development in the Town, including a survey of Town businesses for recommendations to make business development and permitting from the Town Government more business friendly.
 - Survey Town residents to determine businesses they wish to have located in Town.
- **Set of Deliverables.** In addition to deliverables that can be anticipated directly out of the proposed Committee charge above, a specific set of deliverables are recommended to be given to the Economic Development Committee are as follows:
 - Prepare an updated Economic Development element to the Town's Master Plan using the 2004 Maynard's Community Development Plan's Economic Development component as a base document. This updated Economic Development element can provide the Town of Maynard with an updated state of the economy, using data with other available plans, studies and reports and utilize the 2010 Census demographic data. Based on existing Economic Development goals and objectives, a review of the state of the economy and best current economic development practices, a set of new recommendations and strategies would be developed. The Economic Development Committee would then take the lead on ensuring the recommendations and strategies are implemented.
 - Oversee the granting of funds to Downtown businesses/building owners from the Town's Downtown Building improvement fund.

I look forward to having the discussion with the Board of Selectmen on this matter at the Board's January 21, 2014 meeting. If you have any questions and/or would like additional information related to the formation of a Town of Maynard Economic Development Committee, feel free to contact me anytime.
