Conservation Administrator: Michèle Grenier
Absent: Jessica Pfeifer

ADMINISTRATIVE BUSINESS:

Meeting called to order at 6:30 PM

WETLANDS / STORMWATER ISSUES:

Even Jacobson discussed his Boy Scout plan to replace one of two bridges in Carbone Park. Pressure treated wood will be used to construct new bridge. The plan is also to cut all the burning brush, and clear trails. Paint and stain sign that is run down. The estimated cost is \$300.00

Mr. John Dwyer made a motion to approve the Boy Scout project at Carbone Park, seconded by James Bullis, vote was unanimous.

PUBLIC HEARINGS:

- 129 Parker NOI DEP# 213-273

John Kurish went over all requested information agreed upon, including added catch basins, perforated pipe and rain gardens. He explained that the project now exceeds the state's required infiltration and water treatment and they are happy with this. Mr. Fred King explained the stormwater is in concert with the construction design and the concept is completed that the performance standards are also met on the wet basin. John Kurish said nothing will change. Mr. King asked that construction plans be submitted to commission once they are done and prior to the start of construction. Mr. King explained the stormwater design concept meets the stormwater standards but the submitted plans are not construction plans or detail at this time.

Mr. Dwyer made a motion to close public hearing on 129 Parker Street, seconded by James Bullis, vote was unanimous.

Discussion:

CPC awarded the Commission \$20,000

Mr. Dwyer made a motion to approve the CPC award, seconded by James Bullis, vote was unanimous.
