Town of Maynard
MAYNARD HISTORICAL COMMISSION MEETING

Town Scale

Scale cabinet has been stripped and refinishing has begun. The existing doors are not structurally sound to hold the glass we desired. So new doors are being constructed with old pine. The old doors will be stripped and hopefully refinished and then stored.

Discussed what educational materials / displays should accompany the scale display.

NEW BUSINESS

Membership Concerns

Glenwood Cemetery Records are maintained by Peg. The records are kept in a non-archival (albeit fireproof) storage space. The Commission considers this to be an issue.

Next Meeting: November 19

Motion to adjourn. Adjourned at 8:45pm
