NEW BUSINESS

Jerry thanked Dawn Capello for her fine work in drafting the committee's report as we get ready for the final report. Jerry recommends that we extend our self-imposed deadline for submitting the final report until September and instead submit a brief summary report to the Selectmen in April. Discussion followed that where we are now does not satisfy what we intended.

Four draft floor plans were shared for discussion. Option 1 was a community center of 17,400 sq. ft. Option 2 was a community center that includes an 8,000 sq. ft. gymnasium. Option 3 was 38,000 sq. ft. community center, gymnasium and **pool** on 2 levels. Option 4 was same as 3 but on one level for 51,000 sq. ft. The committee voted by a show of hands and a majority supported Option 2.

A MOTION was made by Dawn as a best solutions recommendation for a starting point this committee should focus on Option 2 and SECONDED by Tom. PASSED unanimously

OPEN BUSINESS

Discussion continued on a facility to accommodate the projected growth in the community and the impact of no Memorial gymnasium. Update of data at April meeting.
