

**Town of Maynard

MEETING
and
OPEN PUBLIC HEARING**

Chair Doug Moore called the meeting to order at 7:10 pm.

Members present: Peg Brown; Mike Chambers; Dave Hull; Doug Moore; Bob Moore

Members absent: Jane Audrey-Neuhauser; Mike Bingley; Robert Horn; Rick Lefferts

Others in attendance: none

MINUTES from the 10/14/2009 meeting were approved as distributed.

•CPC PUBLIC HEARING

The Public Hearing was opened at 7:15pm. Doug Moore brought along handouts of material originally prepared for our annual update with the Board of Selectmen on September 29, 2009. Since no public attended the Public Hearing portion of our meeting, it was officially closed at 7:25pm. It was suggested that spring would be a better time to hold annual public hearings, most likely immediately after Annual Town Meeting. CPA projects are more likely to attract public attention at that time and we might find more people interested in learning about CPA projects and expressing interest in applying for future funding.

• STATUS OF 2009 ATM PROJECTS

No project updates were given at the meeting.

• PROPOSALS FOR NEXT GRANT CYCLE --- ATM - May 2010

One Final Application has been received so far. An application for funding for the Glenwood Cemetery Fence, project HR011-10, was distributed to CPC members. All other Final Applications for FY10 are due in our mailbox by Monday, November 2, 2009.

TIME LINE

November 18 - CPC begins review of Final Applications

December 9 - CPC prepares questions for each final application so that the proponents may respond to them during the January, 2010 review period.

The meeting was adjourned at 7:45 pm.
