Thursday, May 26 | 5:00–8:30 PM
Maynard Library Board of Trustees Room

Join staff from the Town of Maynard and the Metropolitan Area Planning Council to hear about ways to improve Maynard's streets for pedestrians and bikers. After refreshments, a brief presentation and a very interesting exercise, we'll tour key areas in downtown, get community feedback of potential improvements and discuss a downtown pilot project. Don't miss this opportunity to get in on the ground floor of this new community initiative!
