Participate via telephone: +1-646 -558-8656

Meeting ID: 879 3189 7725 Passcode: 515693

Questions may be emailed to: OMS@townofmaynard.net

1. Minutes

Feb. 27 2025 minutes for Board approval.

Documents:

[ZBA MINUTES 2.27.2025 \(UNAPPROVED\).DOCX](#)

2. Public Hearing: 25 Garfield Ave.

Pursuant to Massachusetts General Laws, Chapter 40A s.5, the Maynard Zoning Board of Appeals will hold a remote public hearing on ZOOM video, to hear all persons interested in the application filed by owners Tete and Elizabeth Cobblah, 25 Garfield Ave., Maynard, MA 01754.

The subject property, 25 Garfield Ave., is a pre-existing nonconforming single-family dwelling, due to insufficient front setback (25 feet required, 13.9 feet provided). The home is located on a nonconforming lot in the S-1 Single Family zoning district. The nonconformity is due to insufficient lot size (10,000 s.f. required, 8,000 s.f. provided) and insufficient frontage (100ft required, 80ft provided). The applicants are requesting a Variance granting relief from Section 4 of the Zoning By-laws, to construct an addition to the property that would extend the existing nonconforming front setback and create a new

nonconformity by exceeding building coverage limits (15%/1,200 sf. allowable, 21.3%/1,703 sf. proposed).

Conduct at this meeting is governed by the Town of Maynard Policy on [Public Participation at Meetings of Public Bodies](#).

Maynard Zoning Board of Appeals (ZBA) Meeting and Public Hearing
February 27, 2025 – 7:00 p.m.
(Held remotely via Zoom)

ZBA Board Members Present: Paul Scheiner – Chair; Leslie Bryant; Jerry Culbert; John Courville; Brad Schultz (Alternate); James Rohr and Rebecca Solomon; Peter Hunt

Others Present: Bill Nemser – Planning Director

Called to Order at 7:05 p.m. by Chair Scheiner. The board members introduced themselves.

1. Meeting Minutes of November 25, 2024

Chair Scheiner made one correction to a Board member's name.

Ms. Bryant made a motion to accept the minutes of the August 26, 2024 meeting of the Zoning Board of Appeals as amended. Mr. Culbert seconded the motion.

The Board voted unanimously by roll call to accept the minutes.

2. Public Hearing - 20 Walcott Street

Application filed by owners James Rohr and Rebecca Solomon, 20 Walcott Street, Maynard, MA 01754 seeking Special Permit approval to construct additions to the front and side of the property which would extend the existing nonconforming northerly front setback (25 feet required, +/- 10 feet provided), and easterly front setback (25 feet required, +/- 13.3 feet provided). The subject property, 20 Walcott Street, Maynard, MA, 01754 is a pre-existing nonconforming single-family dwelling on a nonconforming lot (due to insufficient frontage, lot area, lot width, front setback, and side setbacks) located in the General Residence district.

The couple has lived in Maynard for 22 years and raised their children here. Last April they had an electrical fire in the basement, which caused extensive smoke damage and requires renovations to the house. They would like to convert a screened in porch to a four-season space; add a screened-in deck on the rear of house and take down the existing garage. They have been working with their architects and town officials to ensure their project is compliant with local bylaws.

Mr. Nemser clarified that the property is non-conforming because of the size of the lot. The existing garage is too close to the side property line, so it will be taken down. All proposed changes will lessen the non-conformity or remain the same. The percentage of lot coverage will decrease as well.

Chair Scheiner opened the meeting to public comment. Peter Hunt, the petitioners' neighbors at 18 Walcott St., spoke in support of the applicants. The proposed changes are in keeping with the neighborhood character and what other residents have already done.

Laurel Buckley of 22 Walcott St. also spoke in support of the application and the changes they propose.

Chair Scheiner closed the public comment period. The Board deliberated using the special permit criteria. Ms. Bryant requested that any new outdoor lighting be Dark Sky compliant. The Board members praised the applications for bringing the property into compliance. The renovations will be fiscally beneficial for the applicants and the town and will improve the neighborhood character.

Ms. Bryant made a motion to grant the special permit to create an extension to the existing non-conforming structure at 20 Walcott St., having found there are no adverse effects that outweigh the benefits to the town. We require that any additional lighting be Dark Sky compliant. Mr. Culbert seconded the motion.

The Board voted unanimously by roll call to approve the motion.

ZBA Updates And Housekeeping

a. Need for Vice Chair and two new members.

Paige Czepiga has left the Board. Mr. Schultz is interested in being a full member. The Board is seeking two alternates and a Vice Chair. Mr. Culbert volunteered for the position of Vice Chair.

Mr. Schultz seconded the motion to nominate Mr. Culbert for the position of Vice Chair.

The Board voted unanimously by hand to adopt the motion.

b. ZBA Rules and Regulations.

The Rules and Regulations will codify the processes of the ZBA and clarify some of the procedural elements. It will aid in describing requirements such as the Dark Sky guidelines. Chair Scheiner and Mr. Nemser are working on a draft and will share it with the Board.

c. Residential Zoning Group update.

Mr. Schultz gave a brief update on the work he has been doing with the town maps. The data will be integrated into the GIS system.

Mr. Culbert made a motion to close the meeting, which Ms. Bryant seconded.

The Board voted unanimously by hand to close the meeting.

The meeting was closed at 8:27 p.m.

**Application Fees (Not Including
Advertising and Mailing Costs):**

- Special Permit: \$250
- Variance: \$250
- Appeal of Building Commissioners Decision: \$250

ZONING BOARD OF APPEALS

Instructions for Petitioner

The Petitioner is advised to review the Maynard Zoning By-Laws (copy available at Town Clerk's Office), The Zoning Act (Massachusetts General Laws Chapter 40A), and these instructions, prior to filing a Petition and prior to appearing before the Zoning Board of Appeals (ZBA) at a Public Hearing.

The petition must be completely and accurately filled out, and all information must be entered in the appropriate space provided before the petition will be accepted for filing. Incorrect information may result in denial of the petition.

The petition shall be reviewed by the ZBA before it is accepted as filed. The ZBA reserves the right to have the petition reviewed by the Building Commissioner, the Superintendent of Public Works, and/or the Planning Board before the same is accepted for filing.

The petition must indicate the specific section of the Zoning By-Laws for which each variance, permit, or appeal is being petitioned.

Example: "A variance is sought from Section 4-1 of the Zoning By-Laws from the front setback requirement of Twenty Five (25) feet to Twenty (20) feet".

Each specific variance, permit, or appeal being requested in the petition must be set forth in a separate paragraph of the petition to clearly indicate the different requests. Failure to so state the requests clearly may result in the petition being denied.

The petition must be accompanied by:

- a) A Plot Plan which has been prepared and stamped by a Registered Land Surveyor or Engineer. This Plan must show:
 - i. All existing buildings on the property and all proposed buildings and additions.
 - ii. Distances from structures to lot line and length of lot lines, together with all dimensions and setbacks of proposed buildings.
 - iii. In the case of a residential dwelling, the front of the dwelling as defined in the Zoning By-Laws, and must further show the location of all present or proposed driveway or vehicle access areas.
 - iv. The Plan should, but need not, denote any other significant features of the Lot depicted on the petition, such as fences, stone walls, brooks, drains, or accessory structures.
 - v. If there is significant variation in the topography of the lot which is the subject of the petition it is recommended that spot elevations be shown by the Engineer.
- b) A list of all abutters, and abutters of abutters within three hundred foot of the property line of the property affected. This list must be certified by the Board of Assessors. Failure to provide this list will result in the petition being considered incomplete. Incomplete petitions will be returned to the petitioner.
- c) An area map obtained from the Board of Assessors, showing the area in which the property is situated.
- d) A check, payable to the Town of Maynard for the appropriate filing fee plus the fee for postage (this is based on abutters list and the cost of mailing by certified mail, return receipt requested) plus the cost for advertising in the local newspaper. Please be aware that there may be additional costs for filing with the Registry of Deeds.

- e) Appropriate documentation as to the relief being sought. These are outlined in the following sections.

In the case of a **Variance**, the following points, based on Massachusetts General Laws, Chapter 40A, Section 10, should be identified and factually supported on or with the petition form and verbally at the hearing:

- a) The particular Land or Structure, or the Use proposed for the Land or Structure, if any;
- b) The circumstances relating to the soil conditions, shape or topography of the Land or Structures and especially affecting the Land or Structure for which the Variance is sought which do not affect generally the Zoning District in which it is located;
- c) The facts which make up the substantial hardship, financial or otherwise, which results from the literal enforcement of the applicable zoning restrictions with respect to the Land or Structure for which a Variance is sought. (Substantial hardship is not purely economic in nature. It is insufficient to present evidence at the hearing merely showing that the value of the land in question will be affected by a lack of or denial of the requested variance.);
- d) The facts to support that the relief sought will be without substantial detriment to the public good; and that the public health and safety is not compromised by the granting of a variance;
- e) The facts to support a Finding that the relief sought may be given without nullifying or substantially derogating from the intent or purpose of the Zoning By-Laws; and
- f) Any other information pertaining to the variance which is the subject of the petition.

In the case of a **Special Permit**, the following points, based on Massachusetts General Laws, Chapter 40A, Section 9, should be identified and factually supported on or with the petition form and verbally at the hearing:

- a) The particular type of Use proposed for the Land or Structure, if any;
- b) The conditions and character of operations of the proposed Use which show that it will be in harmony with the general purpose and intent of the District and the By-Laws; and
- c) The nature of the proposed Use in relation to both the general and specific provisions of the By-Laws governing that Use and the District it is located.

In the case of an **Appeal**, the following points, based on Massachusetts General Laws, Chapter 40A, Section 8, should be identified and factually supported on or with the petition form and verbally at the hearing:

- a) The grounds for the appeal;

- b) Supporting documentation relative to the nature of the Appeal; and.
- c) Note: In the case of an Appeal from the action or failure to take action by the Building Commissioner, the appeal shall be filed with the Town Clerk within thirty (30) days from the date of issuance of a Permit or denial of a Permit by, or an Order, ruling, decision, or determination of, the Building Commissioner.

Failure to present evidence in one or more of the foregoing areas may result in the petition being denied by the ZBA. The ZBA cannot draw from the petitioner the necessary evidence to grant the petition if improperly presented.

ZONING BOARD OF APPEALS

Petition Process

Petition Submittal

The process for filing a petition and appearing in front of the Zoning Board of Appeals (ZBA) is as follows:

The Petitioner shall file the Petition for an **Appeal**, a **Variance** or a **Special Permit** with the ZBA, which will then review the Petition, and if complete, shall transmit a copy forthwith to the Town Clerk. The Petition shall consist of the completed Petition form, plot plan, area map, and other documentation as necessary to support the petition, as well as the appropriate fees. Incomplete petitions shall be returned to the petitioner.

In the case of an **Appeal** from the action or failure to take action by the Building Commissioner, the appeal shall be filed with the Town Clerk within thirty (30) days from the date of issuance of a Permit or denial of a Permit by, or an Order, ruling, decision or determination of, the Building Commissioner.

Notice and Hearings

Notice of ZBA hearings shall be advertised as required by the provisions of Massachusetts General Laws, Chapter 40A, Chapter 11:

Notice shall be given by publication in a newspaper of general circulation in the town once in each of two successive weeks, the first publication to be not less than fourteen days before the day of the hearing and by posting such notice in a conspicuous place in the town hall for a period of not less than fourteen days before the day of such hearing. Notice shall be sent by mail, postage prepaid to the petitioner, abutters, owners of land directly opposite on any public or

private street or way, and abutters to the abutters within three hundred feet of the property line of the property affected.

Hearings of the ZBA shall occur as necessary at times determined by the Board, in the Hearing Room in the Town Hall or any other place specified in the meeting notice. Frequency of hearings depends on the number and type of petitions on file. Typically, the ZBA meets monthly in an evening session.

All hearings shall be open to the public. No person shall be excluded unless they are considered by the chairperson to be a “serious hindrance” to the workings of the Board.

The Petitioner may appear on their own behalf or be represented by an agent or attorney. In the absence of any appearance without due course on behalf of a Petitioner or the owner of the property affected, the Board will deny the Petition.

Order of Business:

The Hearing for each petition shall be conducted as follows:

- a) Opening of the Public Hearing
- b) Reading of the petition legal notice by the Chairperson;
- c) Presentation by Petitioner;
- d) Presentation(s) by those in support of the Petition;
- e) Presentation(s) by those in opposition to the Petition;
- f) Questions by those seeking information;
- g) Rebuttal by Applicant, restricted to matters raised by opponent’s objections;
- h) ZBA members hearing the case may direct appropriate questions during the hearing;
- i) Closure of the Public Hearing
- j) Deliberation and determination of findings by the ZBA.

Filing of Decision

After deliberation, the ZBA will reach a decision. The decision requires a favorable vote of at least four members of the ZBA to grant the petition. If the decision is to grant the petition, the ZBA shall issue a copy of its decision to the owner and to the petitioner, if other than the owner, setting forth compliance with the statutory requirements for the issuance of such variance or permit and certifying that copies of the decision and all plans referred to in the decision have been duly filed.

The variance or permit shall take effect after a copy of the decision bearing the certification of the Town Clerk that twenty days have elapsed after the decision has been filed in the Town Clerk’s Office.

If the decision is to deny the petition, the decision is filed in the Town Clerk’s Office. Resubmission of the same petition is then precluded from occurring for two years, per M.G.L. Chapter 40A Section 16.

In cases where an appeal is made to the ZBA under G.L. c. 40A Section 8, other rules apply. See M.G.L Chapter 40A Section 15.

April 15, 2025

Dear members of the Zoning Board of Appeals,

We are writing to seek your permission to expand our current place of dwelling at 25 Garfield Avenue. We are two retired 70-year-old educators and have lived at this address for the past 37 years.

Our colonial house, which is about 134 years old, does not have a bedroom on the first floor. Anticipating mobility issues as we age, it has become necessary for us to create a bedroom, bathroom and workspace on the ground level.

It has come to our notice that we need your permission to proceed with this project. We hope that our application will be considered, and the building permit granted. Thank you for the good work you continue to do for Maynard.

Sincerely,

Tete Cobblah

Elizabeth Cobblah

TOWN OF MAYNARD
Zoning Board of Appeals: Staff Report
195 Main Street · Maynard, MA 01754
Tel: 978-897-1302 · www.townofmaynard-ma.gov

I. Project Information

Application #	ZBA2503
Project Location	25 Garfield Ave.
Property Owner	Tete & Elizabeth Cobblah, 25 Garfield Ave., Maynard MA 01754
Applicant	same
Type of Request	Variance
Zoning	S-1
Date App. Received	4/17/25

II. Project Description

The subject property is a pre-existing nonconforming single-family dwelling, due to insufficient front setback (25 feet required, 13.9 feet provided).

The home is located on a nonconforming lot in the S-1 Single Family zoning district. The nonconformity is due to insufficient lot size (10,000 s.f. required, 8,000 s.f. provided) and insufficient frontage (100ft required, 80ft provided).

The petitioner is requesting a Variance granting relief from Section 4 of the Zoning By-laws, to construct an addition to the property that would extend the existing nonconforming front setback and create a new nonconformity by exceeding building coverage limits (15%/1,200 sf. allowable, 21.3%/1,703 sf. proposed).

III. Procedural History

1. Pursuant to Massachusetts General Law Chapter 40A, Section 10, an application for a Variance from the Maynard Zoning By-laws was submitted by the above-referenced owner and filed with the Zoning Board of Appeals (ZBA) on April 17, 2025.
2. The Variance application was accompanied by a plan and survey.
3. A public hearing on the Variance application was scheduled for May 21, 2025. The Legal Notice was placed in a paper of local circulation on May 7 and May 14, and sent via certified mail to interested parties on May 2.
4. The application documentation and other submitted material were reviewed by Town Staff.

IV. Regulatory Framework

a. State Statute

The criterion to grant a Variance is defined by MGL Ch. 40A Sec 10. To grant a Variance, the Board must determine each of the following conditions exist:

1. The permit granting authority specifically finds that owing to circumstances relating to the soil conditions, shape, or topography of such land or structures and especially

affecting such land or structures but not affecting generally the zoning district in which it is located.

2. That a literal enforcement of the provisions of the ordinance or by-law would involve substantial hardship, financial or otherwise, to the petitioner or appellant (note: a hardship is not of a personal nature but is connected to the subject property).
3. That desirable relief may be granted without substantial detriment to the public good and without nullifying or substantially derogating from the intent or purpose of such ordinance or by-law.

Exhibit “B” of this Staff Report contains the petitioner’s Justification Statement detailing how they believe the request meets the Variance criteria.

V. Staff Analysis

a. Dimensional Requirements and Proposed Conditions

If granted, the petitioner’s request would allow construction of an addition to the property that would reduce, although not eliminate, the existing nonconforming front setback; and would create a new nonconformity by exceeding building coverage limits.

Table 1. Dimensional Requirement and Proposed Conditions (nonconformities in red)

	Required	Existing	Proposed
Min. Lot Area	10,000 sf.	8,000 sf.	<i>unchanged</i>
Min. Lot Frontage	100 feet	80 feet	<i>unchanged</i>
Max. Building Coverage	15%	10% (809 sf.)	21% (1,703 sf.)
Setback Side Right (E)	15 feet	39 feet	19 feet
Setback Side Left (W)	15 feet	17 feet	<i>unchanged</i>
Setback Front	25 feet	13.9 feet	20 feet
Setback Rear	30 feet	40 feet	<i>unchanged</i>

b. Internal Review

Building Commissioner	<i>No comment.</i>
Conservation Agent	<i>No comment.</i>
Health Director	<i>No comment.</i>
Town Engineer	<i>No comment.</i>
Police	<i>No comment.</i>
Fire	<i>No comment.</i>

VI. Action Required

1. Board determination if the request meets the criteria for a Variance as contained in Section IV of this report. If the Board does determine that the criteria are met, it should describe how each condition is met.
2. Board Vote:
 - a. Determining if the above-referenced criteria have been met by the petitioner's applications as described.
 - b. Granting a Variance.

VII. General Conditions

a. Recording of Decision and Approved Plans:

The petitioner shall file this Decision with the Middlesex South District Registry of Deeds (or Land Court if registered land) and a copy of the decision stamped with the recording information (Book/Page or Land Court document number) shall be provided to the Building Department.

b. Appeals

Appeals shall be made within twenty (20) days after the date of filing this decision in the Office of the Town Clerk directly to a court of competent jurisdiction in accordance with the provisions of M.G.L., Chapter 40A, Section 17.

Exhibit A: Locus Map

Exhibit B: Justification Statement

April 15, 2025

Dear members of the Zoning Board of Appeals,

We are writing to seek your permission to expand our current place of dwelling at 25 Garfield Avenue. We are two retired 70-year-old educators and have lived at this address for the past 37 years.

Our colonial house, which is about 134 years old, does not have a bedroom on the first floor. Anticipating mobility issues as we age, it has become necessary for us to create a bedroom, bathroom and workspace on the ground level.

It has come to our notice that we need your permission to proceed with this project. We hope that our application will be considered, and the building permit granted. Thank you for the good work you continue to do for Maynard.

Sincerely,

Tete Cobblah

Elizabeth Cobblah
