OUR MISSION AND PURPOSE

To act as a group of con-
cerned citizens advocating
for both a short term and a
permanent facility, addi-
tional programming, and
the budgetary need of the
Maynard Senior Center. We
complement the missions
of existing groups, includ-
ing the Maynard Council on
Aging and the Friends of
Maynard Seniors.

COULD THIS BE

the next and final interim
Senior Center, bigger and
better, our last step before
funding a Senior Center/
Community Life Center in
Maynard?
