We further understand that MHP is relying upon this certification in processing the request for issuance of a Project Eligibility Letter in connection with the above-referenced Project.
2. We have reviewed MHP's requirements as outlined in the letter received from MHP on June 18, 2024, and we understand MHP's requirements in connection with (a) the application for the PEL and (b) the procedures after the issuance of the PEL, including the requirement for the completion, within 90 days of project completion and prior to permanent loan closing, of an audited cost certification by a certified public accountant who has been prequalified with the Executive Office of Housing and Livable Communities (EOHLC) and the posting of a bond for completion of the cost certification as a condition of **final** approval by MHP under Chapter 40B.
