## ADMINISTRATION

- Thanks to the Town Clerk's Office and all election workers and volunteers for the successful Special Town Election held May 26, 2025. - TA Johnson will join consultants and representatives from the town’s Sustainability Committee to consider received bids for the town’s planned Community Electricity Aggregation program in order to provide alternative electricity supply to Maynard customers.
- TA Johnson is working with Sustainability Committee representatives to hire a Municipal Energy Manager to report to both town and school administrations. This position will be funded through a grant from Eversource, and may require hiring a consultant if recruitment is not successful.
- TA Johnson and Town Accountant Kevin Petersen met in person with the Superintendent of Maynard Schools and School Business Manager to review preparation for End of Year (EOY) fiscal reporting and accurate depiction of shared costs and funding schemes.
