Re: Maynard Housing Production Plan submission

Dear Secretary and Undersecretary,

Enclosed please find Maynard's newly adopted Housing Production Plan (HPP). This five-year update of Maynard's HPP was drafted by the Metropolitan Area Planning Council (MAPC) with guidance from the Maynard Housing Production Plan Working Group. In addition to residents, local business owners and town staff, the working group also included members of the Select Board, Planning Board, and Affordable Housing Trust Committee.

I hereby certify that the Housing Production Plan was adopted at a joint meeting of the Maynard Select Board and the Maynard Planning Board on September 21, 2021.

The municipal contact for the Housing Production Plan is:
