Process (provided for informational purpose. For more complete procedural information, see [web address for procedure document to be added])

Within 7 days of receiving this form and attachments, the Building and Inspections Division forwards the completed form and attachments to the Historical Commission (no permit issued at this time).

Within 15 days of receipt of this form and attachments, the Historical Commission (through appointed designee) will make a written confirmation of whether the building is still considered significant.

If the Historical Commission determines that the building is no longer significant, the Commission shall notify the Building Commissioner and Applicant in writing. The Building Commissioner may then issue the permit.

Upon determination by the Historical Commission that the building remains significant, the Commission shall notify the Building Commissioner and Applicant in writing. No permit may be issued at this time. The Historical Commission within 30 days hold a public hearing to determine whether the building is Preferably Preserved.
