Dear Friend,

I am pleased to announce that WAVM, our student run radio and television station at Maynard High School, is planning to hold their tenth annual Community Radio Broadcast the week of March 19 – 22. We are inviting you to participate in this fun event.

Adults will take over the WAVM airwaves and DJ one-hour radio shows featuring their favorite music. A student from WAVM will be assigned to help with the technical aspects of the production. Participants are welcome to do solo shows or shows with one or two co-hosts. WAVM has a large vinyl collection as well as CD's, and music on our iPods.

WAVM is now a 500 watt station so our listening audience is much larger.

We hope you or someone from your organization will choose to join us for what is sure to be a great time. Please contact Mark Minasian at (978) 897-5179 or by email mminasian@maynard.k12.ma.us by Friday, March 9 if you wish to participate.

February has been a busy month for me, getting to meet all of Maynard's Firefighters and Officers, as well as other area Fire Chiefs. We have begun implementing a few new programs at the fire department, in particular, Captain Soar is working on a monthly training and documentation program to better facilitate monthly training by each group as well as the record keeping process.

The (1) Hazardous Condition response involved the roof of the elevator shaft for building 6 in Clock Tower Place, fortunately no injuries were reported.

The Maynard Fire Captains and I have developed a new training manual for probationary firefighters along with a new evaluation tool.

Multiple fire drills, plans reviews and box testing occurred in February.

Received correspondence from Sudbury Fire Chief Miles, he thanked us for our response to a basement fire on February 27th, and commended the work done by Maynard's Firefighter led by Captain Soar.

The Captains and I have been working on writing, updating departmental Standard Operating Guidelines.

Our hiring process is ongoing and candidates should be selected by the end of March.

Subject: Crowe Park Field Use - 2012

#8

Honorable Board of Selectmen,

I would like to request the use of Crowe Park for the spring Minuteman Babe Ruth League that will be run by the Maynard Baseball Charitable Corp. The league is scheduled to start on April 21 and will end on June 10. The games will be played on Saturday's at 10:00 a.m. & 1:00 p.m. and on Sunday's at 1:00 & 4:00 p.m. We would also like to request the use of the field for practice weeknights from 6:00 p.m. until 8:00 p.m. starting mid March and ending June 9. This is the same schedule that we have used for the past 13 years while participating in this league. The Minuteman Babe Ruth League is a recreational baseball league and consists of 14 communities and over 60 teams. The program will be open to all Maynard/Stow players between the ages of 13 - 15 years. We will field three teams in this league. The league would provide the Town of Maynard with proof of insurance and would promise to keep up the maintenance on the field as well as keeping the surrounding area free of litter.

The Maynard Baseball Charitable Corp. would also like to request the use of Crowe Park for the summer Lou Tompkins All Star Baseball League that is run through our nonprofit organization. The LTA season would start on June 13 and end on August 4. The league would need the field probably 5 nights a week and weekend afternoons. We would be looking at fielding approximately 3 to 4 teams between this league. The league ages for this league would be 13 - 19 years old and would serve the youth of Maynard and Stow as it currently does. This will be the sixth summer for the Tompkins league which is a very competitive all-star league and gives the 13 - 19 year old player an opportunity to play summer ball and who up until three years ago had no baseball after the junior high and high school seasons. There has been tremendous amount of interest from the youths of Maynard to play in this league this summer.

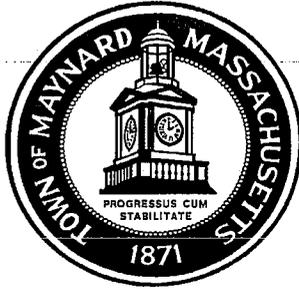

The MBCC will provide proof of insurance for this league to the Town of Maynard, would promise to keep up the maintenance of the field, and will keep the area surrounding the field free of litter. In closing, I would like to thank the Board of Selectmen in advance for consideration in this matter, as applications to the respective leagues need to be filed soon. I can be reached at home (978) 897-6363 or cell (978)430-6905 if you should need additional information regarding this request.

Thank You,

Mike Chambers - President MBCC

Re: 15th Annual Maynard Road Race

Dear Board of Selectmen,

Volunteers from the Boys & Girls Club of Assabet Valley have set the date for the 15th **Annual Maynard Road Race**, which will once again directly benefit the Boys & Girls Club. It is scheduled for **Saturday, September 15, 2012**. It is always a great family event and hopefully raises money for the Club!

Consistent with last year, the event will begin at 10:30 AM with the 5K running, 2.5 mile walking races starting in front of the Fine Arts Theater on Summer Street, going through the back roads of Maynard and ending at the parking lot "basin" in front of Aubuchon Hardware. The new route was very well received last year. An Awards Ceremony will take place following the race followed by additional festivities (food/drinks/entertainment). I am meeting with Mike Sullivan, Jim Dawson and Jerry Flood on Wednesday, March 14th to discuss improvements to last year's "new race". Any thoughts that Selectmen board members may have would be welcomed.

As in the past, we are marketing the event and working on the plans to insure another fun and successful day for everyone. Once again, it will be advertised the Race Day on the appropriate websites – Cool Running, Central Striders, Racers' Resource and others. It will also be advertised in the local newspapers, including those in the surrounding towns. Additionally, race applications will be sent to all walkers/runners who have participated in the Race Day activities in past years.

Please feel free to call or email me with any questions or suggestions regarding the 15th Annual Maynard Road Race Day. We are always open to any new suggestions to improve the race day.

As in the past, thank you very much for your support of the Boys & Girls Club of Assabet Valley and for continuing to play a major role in the success of the annual Maynard Road Race Day to benefit the Club!
