2017-2019 Maynard Recycling Information

The Town of Maynard is announcing automated curbside collection of single stream recycling. Every residence will receive a 95 gallon cart the week of July 31st through August 5th. The entire towns recycling will be picked up the week of August 7th and every other week thereafter. Additional carts may be purchased by calling E.L. Harvey, 38 gallon carts are also available for those that need a smaller cart. No separation of material is needed, i.e. glass, paper and plastic. All material must be in the cart to be collected and the cart must be curbside away from trash, mailboxes, etc.

Regular Trash – Trash is collected every week

Large items-Objects that weigh less than 39 pounds, or up to three feet long will be collected only if \$10 worth of sticker tags are attached. Examples are sofas, mattresses, doors, etc. Mattresses and boxsprings \$10.00 stickers for each piece.
 32 gallon barrels of trash, must be filled only to the level where a cover if applied would fit. Over filled barrels will be left at curbside. Put sticker tag on top item in barrel.
 Do not place sticker tag on barrel.
 In cold weather sticker tags don't stick well to cold bags, so, stick the sticker tag to a warm bag, or to itself wrapped around drawing or bag neck.

For all of your open top dumpster needs please call
