

ADA TRANSITION PLAN

In accordance with the ADA, the Town of Maynard provides the following transition plan for compliance with the structural requirements of public buildings contained within the ADA.

At its Annual Town Meeting of May 1992, it is the intent of the Board of Selectmen to seek funding for the hiring of a design architect to provide design options and remedies to structural barriers in public buildings in the Town of Maynard.

It is the intent of the Town of Maynard to hire said consultant on or about July 1, 1992 to provide said services.

It is the intent of the Town of Maynard to seek funding necessary to make any changes required at its Annual Town Meeting in May 1993. Construction shall commence on or about July 1, 1993 in order to comply with the provisions.

Additionally, it is the intent of the Town of Maynard to appoint an advisory committee of local residents to assist in the preparation of local self-evaluation plans, public notices related to the rights of the disabled and to develop a complaint and grievance procedure.
