2. Public Hearing: Maynard Crossing (Continued from 04.27.21): Request to amend project Operations Manual. The Petitioner/Owner (Capital Group properties) is requesting to amend Section 3 of "Exhibit B" (Operations and Maintenance Plan) of the Special Permit Decision dated September 19, 2017 for the Maynard Crossings (129 Parker Street) mixed-use development. Exhibit "B" of the Decision includes internal management protocol and regulations within the project. The request proposes amending the Operations and Maintenance Plan (originally approved pre-construction by the Planning Board) to better coincide with project's actual activities/scheduling as evaluated post-construction. The requested amendments include adjustments to the hours of operations, site lighting hours, and delivery hours for each different type of use throughout the project. The request does not affect, and will remain consistent with, the Town-approved Concept Plan for the Project.
