- d. Viewing Stand – Do we want this? Where? Discussion
  - i. Jen measured the stands at Alumni Field. DPW could move them for us (we will need to request this if we want it)
  - ii. Spot in front of sanctuary where viewing stand has traditionally been now has trees. Viewing stands may not fit there.
  - iii. Other options include in front of CVS, between Azucar and Sugar Snap in the entrance to the parking lot. Other options?
  - iv. If we decide to have viewing stand, action items are:
    - 1. Approval from Greg J and Megan Z
    - 2. Include on final route map to be sent to the Town and Maynard PD
    - 3. Invite politicians/town officials to sit (they are noted in the google doc).  
Include Maynard Descendants (David M – have they been invited?)
- e. Staging and route update: Mill & Main has not responded to two emails and a phone call. Molly spoke with Chief Noble about using the lower part of Sudbury Street and St Bridget’s. Is this enough space? Based on the confirmations so far it seems like it won’t be. Need to go back to Chief with hard numbers estimate, and ensure we can fit that many vehicles there.
  - i. Other options: Stage all the way up Sudbury to 117 (but not across)
  - ii. Parade participants park at School and get shuttled over to start line on Sudbury Street
  - iii. Stage down one side of Main Street (with help from Maynard PD)
- f. Other items and to do list – committee members to volunteer to help where and when possible
