BUSINESS:

- Followup on B&GCAV/Recreation Commission Relationship Discussion
 - Good discussion regarding what each entity needs, equal work. MOU draft within the next week or so.
- Mountain Bike Project - JH sent letter of recommendation to Justin DeMarco (included). Issue with insurance. Could corporations help out? DeMarco trying to meet with Liam to coordinate with Conservation Commission. Parcel 4 possible site.
- Town field task force update - JH
 - Two meetings since Commission's last meeting. Task force adopted a plan to monetize with sponsorship to raise funds for field maintenance. Justin Demarco has a quote to maintain all fields estimated at \$120,00/year. Take mowing out cuts to \$60k. DeMarco is going to town to get an extra \$20k. Remainder \$40k could come from sponsorships. School Committee is not going to ask other athletic associations for money because of other volunteer activities done to support fields. Committee believes B&GC should be part of exemption list. Only charge out of town organizations for field and facility fees. Rolling out multiple tiers for sponsorship. Suggestion to give update from school committee to public. (DW) Will there be an agreement documenting this? Not sure. Next meeting 5/2.
