INSTALLING A DEDUCT METER

For the installation of a Deduct Meter.

The home owner is responsible to purchase the new meter and any other apparatus necessary to complete the installation compatible with the Town of Maynard's radio read meter system.

The meter can be purchased at Ti-Sales located on Hudson Road in Sudbury MA.

Deduct Meter (2nd meter teed off after main meter, install horizontally for outside water usage. The usage read from the deduct meter will be taken off the sewer segment of the overall household bill)

- 1 Hire a plumber. Fill out permit application and pay fees for both DPW and the separate process for the towns Plumbing Inspector 978-897-1302.
- 2 Purchase new meter
- 3 Have meters installed and wire into existing transponder
- 4 Call Public Works at 978-897-1317 to set up appointment for inspection and activation
- 5 We will not recognize a second meter until it is inspected and verified

Permit Application fee is \$225.00 plus \$75.00 Inspection fee
