**Maynard Planning Board
Notice of Quorum (Virtual)
Wednesday, September 28, 2022- 7:00PM**

A quorum of the Maynard Planning Board is expected to attend and potentially, participate in the "Connect Powder Mill Road" public forum at the date/time referenced below. Access instructions for the forum are included below.

PUBLIC FORUM

CONNECT POWDER MILL ROAD

An Acton and Maynard collaboration

The Towns of Acton and Maynard are continuing work to improve the 1.5 mile section of **Powder Mill Road Corridor** that connects the communities. Over the past two years, the Towns and the Metropolitan Area Planning Council (MAPC) have worked with the community to establish a vision for Powder Mill Road ([Phase I of this project](#)). To achieve community goals, the Towns hope to create an overlay zoning district for the corridor.

Join us for a virtual public forum on September 28, 2022 from 7:00-8:30 pm. At the forum, MAPC will share recommendations from the final Powder Mill Road redevelopment strategy. Attendees will be asked to share feedback about potential zoning changes to achieve the community vision from Phase I.

 RSVP via the QR Code, at <https://mapc.ma/powdermill>, or by calling 617-933-0719. To learn more about the project, including Phase I, visit here: <https://mapc.ma/powdermillcorridor>.

   Questions? Contact Andrea Harris-Long, Senior Planner at aharris-long@mapc.org or 617-933-0719.

This posting hereby serves as notice to the public.
